Venus Retrograde

March 4 - April 15, 2017

Seeing Through the Lens of the Heart

Venus

My capacity to attract people and things that I love an value:

*Venus represents the core essence of the feminine nature,
and the need to interact and join with others.*

Venus is a social planet,
with pleasant effects to bring about happy social occasions.

**Parties and entertaining are best with 'direct' Venus transits.
Love affairs, friendships, financial matters and good times within existing relations
are more enjoyable at this time.**

Although 'personal' Saturn and Neptune transits to Venus can complicate things.

Venus Brings In:

- **Appreciation:** applause, bliss, celebration, fun, joy.
- **Attraction:** love, desirability, sexuality, affection, romance, partnerships (marriage or business), relationships, cohesion, cooperation, friendships, marriage, procreation, social affairs, teamwork.

Venus

Venus will be in Pisces and Aries from Jan 3 - June 5 (5 mos)

Venus orbits the Sun in 224 days • A typical transit through each sign is 1 mo.

“I Harmonize”

Venus brings in benevolence:

Our outer desire for love, affection, pleasure, comfort and beauty.
Our drive for stability, predictability, and security of material assets.
Also artistry, harmony, peace and music.

Venus In Pisces -

Jan 3 - Feb 3 / April 4-28

Joint commitment to a Dream or Ideal:

- While transiting through Pisces, the energy of Venus is ‘exalted’ and she will have a much more compassionate, sensitive and spiritual focus.
- Infinite love and beauty, intuition, idealism and charity will be in the air.
- A nice energy for love and to be treated like a king/queen.
- Artistic, musical, psychic, and mystical travel experiences.
- Pisces embodies the energy of ‘endings’.
- *Seeking feeling, sentiment and emotional bonding in interactions with others.*

Venus In Aries -

Feb 4 - April 3 / April 29 - June 5

‘I’ am independent and ‘self’-aware:

- While in Aries, the energy of Venus has a hard time expressing its true ‘loving’ nature for, the energy of Aries is assertive, competitive, impetuous and self-oriented.
- Energy at this time may be focused on confident independence, innovation, increased sexual drive and personal desires.
- People will be more bold, quick-tempered, direct, decisive, and determined at this time.
- Aries embodies the energy of pioneering ‘new beginnings’.
- *Seeking excitement and adventure, passion and romance in interactions with others.*

Venus Retrograde

Theme for This Year

“I Harmonize - Inside”

A time for inner love and affection instead of focusing on giving attention to the outer world.

Venus Retrograde In Aries

March 4 - April 3

‘I’ am independent and ‘self’-aware:

- Being in Aries, the energy of Venus has a hard time expressing its true ‘loving’ nature for the energy on a good day, so when it is in retrograde. People may be:
- Even more sensitive and possibly aggressive.
- Cranky and self-centered for they may feel ‘unbalanced’ and over-whelmed.
- Looking for equal energy and resources put into joint partnerships and commitments.
- *Seeking excitement and adventure independently. Reassessing passion and romance in interactions internally.*

Venus Retrograde In Pisces

April 4-15

Joint commitment to a Dream or Ideal:

- When retrograde moves into Pisces, the energy of Venus will soften and be more compassionate – to others, but primarily to self!
- A time to heal the wounds of your heart and forgive both yourself and the other.
- To let go of:
 - past lovers and relationships
 - past hurts and blockages
 - old nagging feelings, messages and memories from the past
- To heal yourself inside and open yourself to a deeper love -- self-love.
- Seeking feeling, sentiment and emotional bonding in interactions internally.
