New experiences initiated encouraging you to stimulate **'learning'** new progressive ideas **for yourself/your identity**.

- **To increase income or personal 'worth', by investing YOUR energy, financial resources and daily communication operations into learning "facts" and "data" – that you may not grasp, or are afraid to understand or learn about yourself.**
- **This action is tied to stabilizing your material security, values and personal wealth by 'CHANGING YOUR VALUES'.**
- Allowing yourself to **heal and learn by looking at your hidden or unconscious behaviors - the mystery within** – ie: 'self-sabotaging thoughts, desires, (collusion) vs unexpressed dreams, artistry, talents.
- Publically sharing expertise/knowledge/advice IN the world + actively pursuing relations and INVESTMENTS from OTHERS - yet need to **ADJUST SELF PERCEPTION** – not see/understand YOUR role/value.
- **ADJUST RELATIONSHIPS** – Need to SEE the hidden daily service to other's obligations; sharing YOUR own resources and leadership, which is straining your professional growth, advice + goals of career.
- Focus on emotional fulfillment, pleasure with loved ones and public appeal for the 'security' of service you provide. Be careful **NOT TO SACRIFICE YOUR DREAMS** to challenges from home, family, partner.
- **Let go of "broken" structures** limiting your time, power and control - (looking at business finances + presumed responsibility to group ideals).
- **REBUILD authority 'isolated' from team** with progressive efficiency to achieve personal wealth and expansion of goals.

Inevitable Transformation
