2022 - Creating open space to bring in the NEW paradigm.
 Creatively & radically, 2022 will bring in sudden engaging excitement & aspects to overthrow our comfortable structures. This year we will be 'forced' to break through spells of the past. New discoveries, understandings and opportunities may come in to help re-stabilize our security, create new 'mental and social' agreements toward group standards, and/or provide a 'wake-up call' to change or release our attachments to former securities. **Gaining Freedom through Change of Values!**
