# 2017

Change, Freedom, Ambition... Moving Forward to Future Goals  
Endurance + Careful Investments. Realistic Goals = Success.

## Jupiter (21° Libra) oppose Uranus (20° Aries) T-square Pluto (16° Cap)

*This T-square eases up in April, May, June and October when Jupiter*

### Main Theme of Jupiter/Uranus Opposition:

- A desire to release yourself from restrictions and obligations that you feel have limited your life.
- A possible break from some limiting circumstance (a person, a job or a way of life). A need for newness.
- Relationships can be especially affected by this transit.
- With urges for individual freedom, eccentricity, innovation and future-oriented interests, a partnership may be quite difficult to maintain during this time.
- An outcry for reform of social perceptions and higher ethical standards. Social quest for truth and committed goals.

### Main Theme of Pluto/Uranus Square:

- To sweep away all the old and outworn structures that are built up.
- Sudden change. The principle of death and regeneration combined with sudden change.
- Deep psychological growth period as you make way for the new.
- Rebirth into a whole new way of life.

### Main Theme of Jupiter Square with Pluto:

- Your ambition may be to strive for power and success. Aroused to achieve great things. However, your efforts may run into considerable resistance from others. Accomplishment could go either way.
- You may provoke conflict with those who are in power – a tight spot with the authorities.

## Saturn (21° Sag) trine Uranus (20° Aries) sextile Jupiter (21° Libra)
