## New experiences initiated encouraging you to stimulate 'learning' new progressive ideas for yourself/your identity.

- To increase income or personal 'worth', by investing YOUR energy, financial resources and daily communication operations into learning "facts" and 'data' – that you may not grasp, or are afraid to understand or learn about yourself.
- This action is tied to stabilizing your material security, values and personal wealth by 'CHANGING YOUR VALUES'.
- Allowing yourself to heal and learn by looking at your hidden or unconscious behaviors - the mystery within – ie: 'self-sabotaging thoughts, desires, (collusion) vs unexpressed dreams, artistry, talents.
- Publically sharing expertise/knowledge/advice IN the world + actively pursuing relations and INVESTMENTS from OTHERS - yet need to **ADJUST SELF PERCEPTION** – not see/understand YOUR role/value.
- **ADJUST RELATIONSHIPS** – Need to SEE the hidden daily service to other's obligations; sharing YOUR own resources and leadership, which is straining your professional growth, advice + goals of career.
- Focus on emotional fulfillment, pleasure with loved ones and public appeal for the 'security' of service you provide. Be careful NOT TO SACRIFICE YOUR DREAMS to challenges from home, family, partner.
- **Let go of "broken" structures** limiting your time, power and control - (looking at business finances + presumed responsibility to group ideals).
- **REBUILD authority 'isolated' from team** with progressive efficiency to achieve personal wealth and expansion of goals.
